9 AMAZON.COM INC., *et al.*,

10 Plaintiffs,

Case No. C22-1019-RSL-MLP

11 v.

ORDER

12 ABEYTUBE, *et al.*,

Defendants.

13
14 Plaintiffs filed the instant action on July 22, 2022. (Dkt. # 1.) Plaintiffs have not yet
15 served any defendants. On December 27, 2022, the Honorable Robert S. Lasnik ordered
16 Plaintiffs to file a status report within 90 days detailing their efforts to serve defendants. (Dkt.
17 # 11.) On March 7, 2023, Judge Lasnik referred issues related to pretrial service in this action to
18 the undersigned pursuant to General Order 03-23. (Dkt. # 18.) On March 14, 2023, this Court
19 granted Plaintiffs' motion for expedited third-party discovery. (Dkt. # 19.)

20 On March 27, 2023, Plaintiffs filed the status report as ordered. (Dkt. # 20.) They request
21 an additional 120 days to serve third-party subpoenas and review resulting discovery, amend
22 their complaint, and move for alternative service. (*Id.* at 3.)

The Court recognizes that Plaintiffs require additional time to engage in the recently authorized third-party discovery. However, Plaintiffs should not expect unlimited extensions if service does not prove to be feasible. Accordingly, the Court DIRECTS Plaintiffs to, within **120 days** of the date this Order is signed, file an amended complaint and either serve all defendants or move for alternative service. If Plaintiffs are unable to do so, the Court ORDERS Plaintiffs to show cause why this case should not be dismissed for failure to prosecute.

Dated this 31st day of March, 2023.
